Dear parent / carer

We are pleased to inform you that on **Friday 17 October 2025**, our Year 9 students will take part in a wide variety of careers workshops.

This event is to prepare them for decisions they will make as they choose their Key Stage 4 Pathway Options to study in Years 10 and 11. The workshops are aimed to motivate and inspire students, and these will be delivered by external employers and providers.

The all-day event will involve the students attending up to eight workshops, although the schedule will enable the tutor lesson, break and lunchtime arrangements to operate normally. The day will finish at the normal time, in order that students are able to access their normal travel arrangements.

A source of information and resources to support careers education and progression for the local area (Hull, East Riding of Yorkshire and the North Yorkshire coast) is a website called www.logonmoveon.co.uk. The website includes an online prospectus of local education and training opportunities after Year 11, as well as Labour Market Information and the Employability Skills Passport.

One of the workshops is an interactive experience in which they will be introduced to "Log On Move On" and they will have the opportunity to explore the site. Your child will receive a username and password to access their learner account on www.logonmoveon.co.uk during Year 10.

They will receive this via their school email address from 'eprospectus'. They will be able to retain and use this account until Year 14, adding to it as they progress regardless of which post 16 options they choose. Please support your child by ensuring they access both their learner account and the home learning career resources.

A quick introduction to the website can be viewed here and more detailed videos can be found on www.logonmoveon.co.uk in the Information and Inspiration pages and Resources section. If you have any difficulties using the website, please use the 'get in touch' button.

We would encourage parents to discuss their child's experience after the Inspiration Event.

If you require any further information or have any questions about the workshops, please do not hesitate to contact us.

Yours faithfully

Michelle Edwards
Personal Development Co-ordinator
