Dear parent / carer

We are delighted to inform you that we have an exciting opportunity for our A-Level Physics students to visit London, taking place on **Friday 14 November 2025**.

The trip will consist of visiting the Science Museum for their space and technicians exhibits, and the Royal Institution for their historical Physics artifacts. We are also planning to surprise the students on the day with a lunch break at Hyde Park's Winter Wonderland.

The cost of the trip is **£74.75** per student, which includes insurance. Please note the trip is an 'optional extra' under the 1996 Education Act" and the school is therefore permitted to charge for this activity.

An additional **£5.60** via an oyster card, contactless card or phone payment will be required on the day to cover the cost of travel using the London underground.

Food is not included in the price so students will either have to bring a packed lunch or money to purchase food, plus optional spending money for the museum gift shops and Winter Wonderland.

We will be travelling down to London via train to Kings Cross Station. In London, we will be using public transport and walking, but no more than 30 minutes at a time.

The schedule for the day is:

- **6:00am** Meet at Hull Paragon train station (outside Starbucks)
- **6:27am** Train departs
- **9:14am** Arrive in London
- **3:48pm** Depart from London
- **6:35pm** Arrive back at Hull Paragon train station

If you would like your child to attend, please make payment via the Arbor parent portal by **12:30pm** on **Friday 17 October 2025**. To do this, please log into the portal and search for Activities/Trips. By making this payment you are consenting to your child attending the above trip.

Unfortunately, if payment is not received by this time, your child will not be able to attend.

Yours faithfully

Miss K Burrows  
Teacher of Science
