Dear parent / carer

As part of our school's careers programme, we are pleased to be able to offer your child the opportunity to attend a Women in Manufacturing Engineering (WiME) Event at the Guildhall in Hull on **Wednesday 8 October 2025**.

The visit is designed to encourage female students to consider a career within Manufacturing and Engineering, and there will be a range of companies available for the students to talk to and gather information from.

We will be leaving the school site at 9:00am by school minibus and will be returning to school by 12:00pm, so normal lunch arrangements can be maintained. Students must wear their full uniform as usual.

For your child to take part in this visit, your permission will be needed. To do this, please log into the portal and search for Activities/Trips. By doing this, you are consenting to your child attending this trip.

Consent is required by **12:30pm on Monday 6 October 2025**. Unfortunately, if we do not receive consent by this time, your child will be unable to attend and will remain in school.

Yours faithfully

Miss H Lawes
Careers Leader
